

Ambassador Volunteer Application Form

Property Investor Reward Club (PIRC) attend events across the UK as speakers and sponsors. For each of these events we require the help of willing volunteers to set up and help manage the smooth running of the event. In return, volunteers gain free tickets to these events and the opportunity to gain valuable knowledge from PIRC and other property experts. We also require support at events where we are not present raising awareness of PIRC at supplier showcase or with social media, connecting and engaging with investors looking for solutions.
